New Jobcom Display-Series Jobsite Portable *The Ultimate Multi-tasking Tool*

Carmel, IN – RITRON, Inc. introduces the new Jobcom JMX Display-Series Jobsite Portable Radios. These VHF/UHF radios feature a bright LED display, up to 10 Channel capability, Channel Scan, NOAA Weather Channel, NOAA Weather Alert, Quiet Call Coded Squelch and PC programmability. They are available with 1W, 1.5W, 2W, 3W, or 4 Watts of power output. Specific models offer enhanced features like 2-Tone Paging Decode, Normal or Priority Scan, and Digital Coded Squelch.

The JMX Display-Series portables are rugged, lightweight (11.5 oz) and stand only 4.75” tall. These radios fit easily in a shirt pocket or on a belt. The radios are weather and impact-resistant to help protect against on-the-job wear and tear. Plus, providing a range of 2-5 miles (line-of-sight) that make these radios ideal for use in repeater or portable-to-portable only systems in factories, hotels/motels, schools, retail stores and shopping malls, special events, hospitals or construction sites.

These radios are PC programmable within the VHF/UHF band for use in repeaters or portable-to-portable only systems, as well as 21 user programmable Color Dot frequencies; 51 built-in user programmable Interference Eliminator (Quiet Call) codes, (JMX-144D/446D/444D models feature digital coded squelch codes and two-tone decode), Channel Scan with Nuisance Channel Delete, PC programmable narrow or wide band selectable (TX only). VHF models also feature MURS Certification (no license required), NOAA Weather Channel, and NOAA Weather Alert. All models offer easy-to-hear, loud, 1 Watt of audio output, drop-in charger capability, quick-change battery, and versatile audio accessory jacks for optional remote speaker microphone, headsets, or earsets.

The Jobcom JMX Display-Series radios utilize the latest in surface mount technology and microprocessor design to provide a low cost, high performance, ultra small, dependable portable radio. The Jobcom JMX Display-Series radios come with a rechargeable battery, wall charger, belt clip, antenna, and a one-year warranty.
