# New Ritron 60 Series Mobile Radios

## Rugged...Reliable...Easy to Operate... and Made in the USA

**Carmel, Indiana** – Ritron, Inc. has introduced the new RPM 60 Series Mobile Radios. “These easy-to-operate mobile radios provide reliable, economical two-way radio communication for business, government and municipalities, specifically delivery/courier companies, taxi cab operators, contractors, security, farming, school bus fleets and volunteer fire departments”, states Steve Rice, Ritron president.

The RPM 60 Series Mobile Radios are designed and manufactured in Carmel, Indiana USA by Ritron, Inc. The radios feature 30 Watts of transmitter power, 35 channel capability and a loud, easy-to-hear front firing speaker with 5 Watts of audio output. The VHF band model operates in the frequency range of 136-162MHz or 148-174MHz and the UHF band model operates 450-470MHz.

Small and compact they weigh only 2.2 lbs and measure 2.1” H X 5.8” W X6.2” D. The radios come standard with the following features:

- A Bright, Alpha/Numeric LED Display,
- 2 Dual-Function Programmable Buttons with assignable features
- Rugged, All-Metal Construction
- Wide or Narrow Band by Channel
- Programmable Frequency Steps
- Dealer/Field Programming Mode (no PC or software required)
- Channel Scan
- 2-Tone Encode/Decode (300-3000Hz)
- CTCSS and DCS Signaling
- DTMF ANI Encode
- 3 to 7 Tone Encode ANI
- Companding
- VoiceScrambler

Other features include; Call Tone, External Speaker Jack for Remote Mount Speaker, AUX Output Connector for external data devices e.g. mobile terminals, GPS receivers, and Optional MDC-1200 Encoder.

Each RPM 60 Series Mobile Radio includes one (1) year factory warranty, radio mounting bracket, RM-4 hand microphone with hang-up bracket and 12 VDC power cable with in-line fuse.
